# Products and materials

Landscaping involves so much more than just creating a space. It's about inviting the seasons in and building a living area that is conducive to life's happiest moments. Rethink nature and welcome harmony into your space.

PLEASE NOTE: THE COLOURS OF THE PRODUCTS SHOWN IN THIS CATALOGUE ARE AS ACCURATE AS THE PHOTOGRAPHS AND PRINTING PROCESS WILL ALLOW. SINCE ALL PERMACON PRODUCTS ARE MADE FROM NATURAL MATERIALS, SUCH AS SAND AND STONE THAT MAY CHANGE OVER TIME, COLOUR AND TEXTURE VARIATIONS ARE TO BE EXPECTED. WE STRONGLY RECOMMEND THAT YOU MAKE YOUR FINAL COLOUR SELECTION BASED ON A CURRENT PRODUCT SAMPLE RATHER THAN EXISTING PROJECTS OR THE PHOTOGRAPHS SHOWN HERE. IN ORDER TO SIMPLIFY THE SELECTION PROCESS, THE SAME COLOUR NAME MAY BE FOUND IN VARIOUS PRODUCTS. THIS IS MEANT TO COORDINATE PRODUCTS WITH SIMILAR COLOUR TONES, AND DOES NOT IMPLY PRECISE COLOUR MATCHING.

## Mirage

Porcelain Tiles

## Building Excellence

# 126

satura<sup>®</sup>  
reimagine what's set in stone

# Innovate and impress

A new colour and texturing technology that reproduces the look of all types of natural materials. Satura retains all the advantages of our conventional dry concrete products, while providing more colour and configuration options in order to create exceptionally beautiful and harmonious exteriors.

MONDRIAN PLUS 50 SLABS, Range Newport Grey - p 67

A photograph of an outdoor dining area. In the foreground, a white plastic chair with a woven backrest and a white cushion is positioned next to a dark wooden table. The table is set with a tray of green bottles, a glass with a lime wedge, and a bowl of food. In the background, a brick wall is covered in green ivy and decorated with warm white string lights. A large white lampshade is visible in the top right corner. The ground is paved with light-colored stone tiles.

# Building the outdoors

Sharing a meal outdoors  
and the **happiness** it brings.

A high-angle photograph of a modern outdoor patio. In the foreground, a dining table is set with a white plate, silverware, and a glass. The patio is paved with large, light-colored rectangular tiles, with dark grey tiles forming a decorative border. In the middle ground, there is a large, dark wicker sectional sofa with beige cushions and several decorative pillows. A glass coffee table sits in front of the sofa. To the left, a swimming pool is visible, surrounded by lounge chairs and a black metal fence. The background is filled with lush green trees and foliage. The overall atmosphere is bright and inviting.

# Building shared spaces

Take the time to dream and enjoy  
**moments** spent with loved ones.

# Building trends

In addition to being unique and versatile, slabs are available in a variety of finishes, shapes and textures.

Larger and thinner than traditional pavers, slabs blend in with their environment to create an open and sweeping look that cutting-edge designers will love.

# The Permacon universe

We create excellent products to stage your life's most memorable **moments.**

# Permacon helps you create moments and memories which make life so unique.

## COMPETENCE

Experience can't be faked. For 65 years, Permacon has accumulated a wealth of knowledge and developed unparalleled expertise.

In our offices, plants, warehouses and quality control lab, our expert staff work to offer products that surpass the most demanding consumer expectations.

Permacon is the first choice of architects and contractors who need a supplier able to provide the absolute best material.

## COMMITMENT

The exceptional quality of Permacon products would mean little without the relationship we enjoy with our clients and partners. This bond of confidence is based on respect, responsiveness and availability.

At each of our 11 production facilities, 300 showrooms and on worksites, we maintain an active presence throughout the process in order to ensure that the results are up to our high standards.

## CUTTING EDGE

Permacon has long been a trendsetter that brings innovation to life. This forward thinking was embodied a few years ago when we established the industry's only R&D Centre in North America.

Whether by redefining the industry or introducing best practices, Permacon always pushes the market forward.

## AESTHETICS

Taste can be infinitely varied, but we feel beauty must inhabit everything we create. For Permacon, beauty is always a matter of harmony, refinement, elegance and clean lines.

## BUILDING PRIDE

All our products are made with passion and pride in Canada to meet the needs of our customers.

## WARRANTY

Because your peace of mind is priceless. Our products come with a **full 50-year warranty**<sup>1</sup> that conforms with the Consumer Protection Law, and is transferrable when you sell your home.

## THE PERMACON GUARANTEE IN 4 POINTS :

- 1 Full 50-year warranty
- 2 Guaranteed structural integrity
- 3 Replacement of manufacturing defect if necessary
- 4 Transferable to the subsequent owner

<sup>1</sup> For our complete warranty statement, including exclusions, visit [PERMACON.CA](http://PERMACON.CA)
